NativeX - iOS adapter info

Compatibililty

Network	Bundle version	NativeX SDK version	Fyber SDK version
NativeX	5.5.9_r1	v5.5.9	8.4.0

Important

This version of the NativeX mediation adapter supports iOS 7, 8, 9 and 10

This version of the mediation bundle works only with the Fyber SDK 8.4 and higher due to SDK changes enabling blended intersitital calls.

The NativeX SDK Fyber Adapter v5.5.9_r1 fully supports ATS Enabled!

For a detailed integration guide, follow these links: * [Interstitial integration](#) * [Rewarded Video integration](#)

Any issues, please contact our [Support Team](#) or your NativeX contact directly.
